Annual report from Secretary Nicola Corbett for AGM 18th June 2011

We have had another very busy year. From June 2010 until May 2011 we have held 9 meetings at Tweedbank Community Centre and had one trip.

We have had a total of 267 people attend the meetings at Tweedbank Community Centre that gives an average of 29.5 people per meeting. Although the total figure is higher than last year's figure of 207 the average figure is down on last year's one of 34.5 people per meeting due to the number of meetings going from 7 to 9 for the year.

Our trip in September was to the Seagull Trust at Ratho. 49 people went on the trip, 26 children and 23 adults

We have had 7 sessions of Music Therapy this year to which 86 children have attended giving an average attendance of 12 per session. Thank you very much to Chris Achenbach for the help and support he has shown our children over the last year.

Disability Sports have attended our recent meetings. We are very happy they are able to come along and support BANG and we would like to say a huge thank you to Graham and Gemma.

The ladies from Langlee Nursery have continued to volunteer this year and we would like to say thank you to Carol Fox, Eunice Capaldi and not forgetting Courtney Fox, Carol's daughter.
